Step 1: Download Game Step 2: Click Tuner Mode Step 3: Enter Unclepeanuts as Your Name Step 4: Click on Easy as it's the only game mode that will allow this cheat code Step 5: Enjoy the new bank balance of \$5,000,000 - do you welcome More Visual Apprentice? Then hit play on this video showing you how to use this cheat code: UP, DOWN, LEFT and RIGHT keys to choose the outfit and keep Gas. How to use NOS in Drag Racer V3 Nitrous oxide - or NOS - has been around in the car tuning scene for decades. The idea of shooting an explosion of ultra-cold (condensed) air in a combustion cycle means much more explosion and much less knocking (lean air fuel) on the air-fuel mixture. Ultimately, this means an instant shot of more power. Sounds good doesn't it? Hell, yes, it is! You Are You Use the power of NOS in Drag Racer V3 and give your ride a massive boost over your competition on the drag strip. Go to your garage and choose the car you'd like to use. Now hit the Store, then Parts and select Performance Parts. Choose Nitrous, select Nitrous Kit and then hit Buy. Now your car is equipped with the latest NOS kit. Are we going to make it? You can choose Showoff, Race or Tournaments and take your trip to the track. When the staged lights are green - hit N on the keyboard. Just make sure the extra momentum isn't through you from switching gears! Drag Racer V3 step-by-step guide Want to see how someone else guide you through the game? Try this handy video.
